SECTION 2: EMPLOYEE/APPLICANT MUST READ AND COMPLETE

2.1 Important Information to the employee/applicant

- You are required to attend a health assessment to assess your fitness for undertaking rail safety work.
- The health assessment must be completed by the date shown in section 1.3 of this form to ensure that you are able to carry out your normal duties.
- You are required to complete section 3.1 (Safety Critical Worker – Health Questionnaire) of this form BEFORE ATTENDING THE HEALTH ASSESSMENT APPOINTMENT and provide it to the examining health professional. **You must sign the declaration at 3.2 of the health questionnaire section of this form in the presence of the examining health professional.**
- Take glasses, hearing aids or any other aids required for safety critical work to the appointment.
- Take all medication that you are currently taking to the appointment or a list of such medication.
- Take photo identification with you to the appointment.

As you are a **Safety Critical Worker (Category 2)** you will required to have a hearing and vision (including colour vision) test and breathing test (spirometry)

You should not be exposed to loud noise 16 hours prior to the audiometric test.

A urine sample will also be required for drug screening purposes. Avoid excessive intake of water prior to providing urine sample.

What happens if the examining health professional finds a problem with your health?

If the examining health professional finds or suspects something is wrong with your health that you did not know about, they will ask your permission to inform your own health professional. The examining health professional will not treat any medical condition but will give you a letter to take to your own health professional.

If the examining health professional finds that you do not meet all relevant medical criteria, your supervisor will discuss with you the appropriate action to be taken.

DISCLOSURE OF HEALTH INFORMATION – PLEASE READ CAREFULLY AND SIGN TO INDICATE YOUR UNDERSTANDING OF HOW YOUR HEALTH INFORMATION IS REPORTED, STORED AND ACCESSED

The details of your health assessment will remain confidential and will only be reported to your employer in terms of your fitness for duty.

The examining health professional will retain all detailed health assessment papers including your responses to the questionnaire, test results and the completed record of clinical findings.

The Examining Health Professional will review the clinical findings and test results and will provide a recommendation to your employer only in terms of your fitness for duty. This recommendation will be by way of the Recommendation Of Examining Health Professional Form.

The Examining Health Professional will maintain confidentiality of the records and will ensure they are not made available to, or discussed with any other person within your company other than that person authorised to receive such results.

Other than the above, no information will be disclosed to any other person or organisation without your written permission except where;

- A notifiable disease is diagnosed which must, by law, be reported to the state authorities;
- A report is subpoenaed by a court of law; or
- The rail safety regulator (or another person) is required to conduct an inquiry into a railway accident or incident.

You have the right to access your health records, including those held by the authorised health professional, the Specialist In Occupational Medicine and reports held by ARG.

SECTION 4: IMPORTANT INFORMATION TO THE EXAMINING HEALTH PROFESSIONAL

4.1 Instructions To the Examining Health Professional

- You are requested to conduct a **category 2** health assessment to assess the employee/applicants fitness for rail safety duties in accordance with the *National Standard for Health Assessment of Rail Safety Workers, Volume 2: Assessment Procedures and Medical Criteria*.
- You must sight photo identification of the employee/applicant (eg Drivers Licence, Rail Safety Workers' Card)
- Please perform the assessment and record the finding in section 4.2 of this form and then, forward the completed Recommendation Of Examining Health Professional Form to the company arranging the health assessment.
- Should the employee/applicant be assessed as Temporarily/Permanently Unfit for Duty, please contact the person responsible for arranging this health assessment immediately so that appropriate actions can be taken.
- Category 2 Safety Critical employees/applicants are required to have audiometric and vision (including colour vision) testing as part of this health assessment. The employee/applicant has been advised of these requirements in section 2 of this form. These tests will be arranged separately and reports forwarded to you if facilities are not available at your practice.
- You may need to contact the employee/applicants nominated health professional to discuss conditions that may affect their fitness for rail safety work. Such contact should only be made with the workers signed consent.

For more detailed information about the conduct of health assessments for rail safety employees see *Volume 2 of the National Standard for Health Assessment of Rail Safety Workers*.
