The screenshot shows the REDILEGAL Online Booking Admin interface. At the top, there are date filters (01-11-2014 to 31-12-2014), a doctor dropdown (Doctor: hanh), and a worker dropdown (Worker:). A 'Search' button is on the right. Below the filters, there are two buttons: 'Collapse all' and 'Expand all'. On the left, a list of bookings is shown for Dr. Hanh Nguyen, categorized by date: [26-11-2014], [25-11-2014], [24-11-2014]. Each booking entry includes the appointment time, location, and status (e.g., Confirmed, Arrived). On the right, the patient detail section is displayed. It includes a 'Booking Status: Confirmed' header, a 'Documents' section with four PDF files (gorganFCA (1).pdf, gorganMA.pdf, gorganFCA.pdf, gorganMH (1).pdf), and a 'Patient's information' section with the following details:

Claim number:	1234568
Surname:	Cook
Other name:	James
Date of birth:	01/02/1980
Email address:	jCook@mail.com
Contact number:	1234567890

Below the patient info, there are two sections: 'Is the patient new to REDIMED: ✓' and 'Description of injury:'. A large bold heading 'Appointment' is centered at the bottom of the detail panel. Below it, two paragraphs provide instructions for the doctor: 'REDILEGAL to contact the patient and arrange a time' and 'REDILEGAL to contact the case manager to arrange a time for the worker'.

⚠ 0 Pass bookings have not result ⚠ 0 Upcomming bookings have not document ⚠ 0 Pass booking have not been changed status

This screenshot shows the same interface but for a different doctor, Dr. Cook. The top filters remain the same. The booking list on the left shows entries for Dr. Hanh Nguyen (26-11-2014) and Dr. Cook (24-11-2014). The patient detail section on the right is identical to the previous one, showing booking status as 'Confirmed', documents (four PDF files), and patient information (Claim number: 1234568, Surname: Cook, Other name: James, Date of birth: 01/02/1980, Email address: jCook@mail.com, Contact number: 1234567890). The 'Appointment' section and instructions at the bottom are also identical.

In the detail, “Choose Actions” will allow the users to change the status of the appointment/Upload more documents/send a message to the case manager or change the booking time.
